NOTE: ... = not applicable.

- Payment level when both members of a couple are blind; when only one member is blind, payment is reduced by \$22.00.
- Amount based on allowable costs of residential care (\$18.52 to \$25.92 per day), plus a personal needs allowance of \$77.00 per month, minus the federal SSI payment. State administers payments.
- Payment is based on both members of a couple needing in-home health-related care. When one member needs care, payment is reduced by \$498.29. State administers the supplement.
- Payment is based on actual cost of in-home health-related care up to a maximum of \$498.29, plus basic federal benefit. State administers payments.

**DEFINITIONS:**

**A: Living independently (blind).** Includes all blind recipients who are not included under another arrangement, do not have an essential person, and are not otherwise ineligible for supplementation.

**B: Living in the household of another (blind).** Includes all blind recipients who are residing in a federal Code B living arrangement, are not included under another state arrangement, do not have an essential person, and are not otherwise ineligible for supplementation.

**C and H: Living with a dependent person.** Includes a recipient residing in a federal Code A, B, or C living arrangement who has an ineligible spouse, parent, child, or adult child living in the home with him or her and who is financially dependent on the ineligible individual as defined by the Iowa Department of Human Services.

**D and I: Family life or boarding home.** Includes recipients residing in a federal Code A living arrangement who reside in a family life home or boarding home licensed by the Iowa Department of Health or certified by the Iowa Department of Human Services.

**Residential care.** Includes recipients who require custodial care (but not nursing care) on a 24-hour basis. The purpose of these facilities is to provide care for recipients who because of age, blindness, or disability are unable to adequately care for themselves in an independent living arrangement. Recipients must have the written recommendation of a physician to be admitted to these facilities.

**In-home health care.** Includes recipients who require personal services, nursing care, or both in their own home. The primary purpose of the program is to enable recipients to remain in their own home for as long as possible. Care must be recommended in writing by a physician and must be provided under the supervision of a registered nurse.

NOTE: ... = not applicable.

a. Applies only to persons living in the household of another.

b. Includes a minimum of \$60 for personal needs allowance.

**DEFINITIONS:**

**Living independently.** Includes recipients residing in a federal Code A living arrangement.

**Living in a room and board facility.** Includes eligible persons who:

- Live in a household other than their own throughout a month with at least one other person who is not their child, their spouse, or an ineligible person whose income is deemed to them; and
- Receive food and shelter from within that household.

**Adult family home.** A residential living unit that provides full-time residence with minimal supervision and guidance to not more than three individuals aged 19 or older. Individuals residing in these homes are essentially capable of managing their own affairs but need supervision. These homes are certified by the social services unit in the local offices of the Department of Social Services.

**Licensed assisted living facility.** These facilities provide accommodation and board and care (e.g., personal assistance in feeding, dressing, and other essential daily living activities) to four or more individuals who are unable to care for themselves or manage their own affairs because of illness, disease, injury, deformity, disability, or physical or mental infirmity. They do not, however, require the daily services of licensed, registered, or practical nurses. These facilities are licensed by the Department of Health.

**Licensed group home for children or child-caring agency (disabled).** These facilities provide 24-hour accommodations for two or more developmentally disabled minors. The homes are under the direction and control of a mental retardation program and are licensed by the Department of Social Services.

**Living in a Medicaid facility.** Includes eligible persons who live in a public or private medical institution throughout a month and Medicaid is paying more than 50 percent of the cost of their care.
